German Paper Says Allies' Messages
Are as Bad.

By Associated Press

AMSTERDAM, Sept. 17.—The three cablegrams sent by Count Luxburg, German minister to Argentina, to the German foreign office through the Swedish legation have finally been permitted to be published in the German press. The Kolenische Zeitung says it is easy to understand that the publication of these dispatches in Argentina has made an unpleasant impression and President Wilson has so far probably been successful with his maneuver, but adds that they can only be rightfully judged if it is not forgotten that they were secret messages.
